

# How to Find In-Network Doctors on BCBSIL Scribe<sup>®</sup>

1

Navigate to <https://www.bcbsil.com/find-care/providers-in-your-network/find-a-doctor-or-hospital>

2

Click "Search for Doctors as a Guest"

Surprise billing laws may prevent you from being charged out-of-network rates under

## Basic Guest Search

Even if you're not a member, you can answer a few questions to find the right network to search for doctors.

[Search for Doctors as a Guest](#) 

In addition to staying in network, you or your doctor may need to get benefit approval or "prior authorization" before you get treatment for certain services for them to be covered. Please check your benefit booklet or your plan's terms if you are unsure.

3 Click "Through my, my spouse's, or my parent's employer"

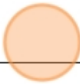

**What type of plan would you like to search?**

How you get your insurance affects what doctors are in your network. Carefully select to avoid high out-of-network costs.

<p><b>Employer Plans</b></p> <p>Through my, my spouse's, or my parent's employer</p> <p style="text-align: right;"> Select</p>	<p><b>Individual &amp; Family Plans</b></p> <p>Through my state's Exchange or purchased directly</p> <p style="text-align: right;">Sele</p>
<p><b>Medicare</b></p> <p>Purchased directly or through my employer</p> <p style="text-align: right;">Select</p>	<p><b>Medicaid</b></p> <p>Through my state government</p> <p style="text-align: right;">Sele</p>

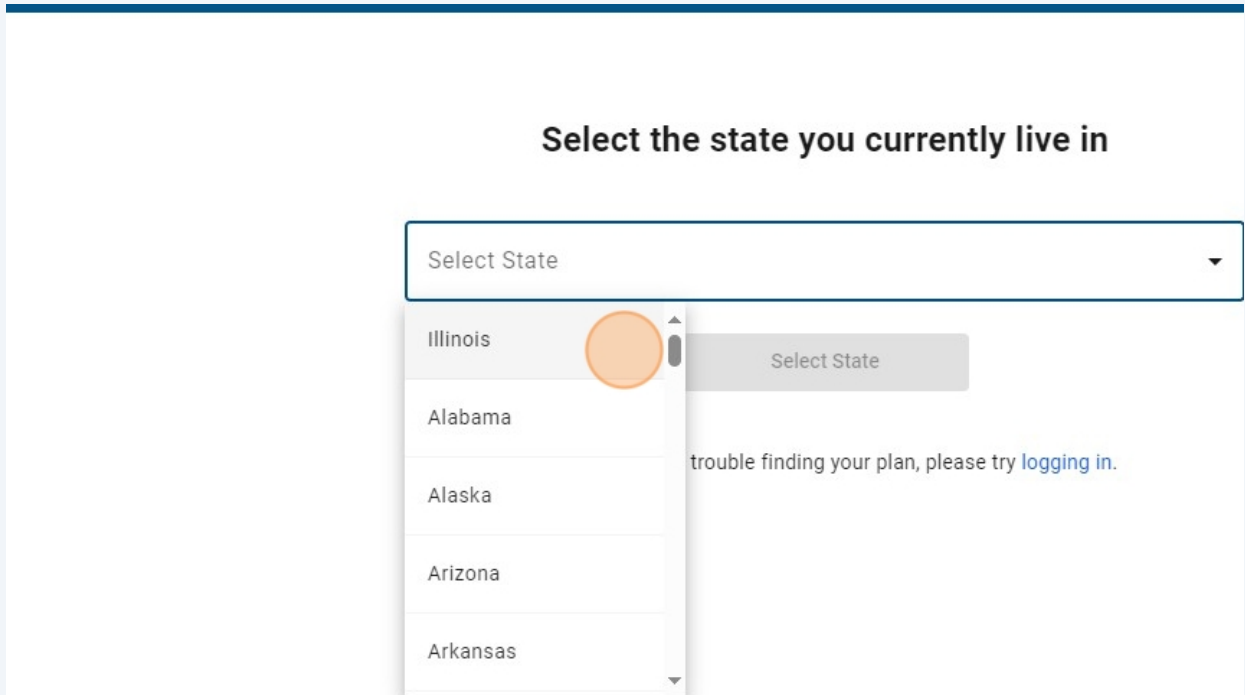

4 Click here.

**Select the state you currently live in**
